It's time to hold Our Black Leaders Accountable.

The condition of Black America is stagnant and we need to do something.

BLACK STAGNATION is a research initiative created by The Blexit Fund.

The purpose of this project is to stimulate critical analysis and devise solutions to our most pervasive issues.

The first step is to identify the most influential Black voices on Twitter.

We are going to closely monitor their words and challenge their narratives.

Thru exhaustive research, we will be able to identify our potential allies as well as our foes.

Our findings will not be published on any public platforms.

A drastic change in trajectory can only be created in private.

If you want to be part of this incredible project, request an invite to the Blexit Fund BlackShare group.

Send questions to cwjohnson@blexit.fund

The Blexit Fund is a registered unaffiliated non-partisan Political Action Committee. (FED TAX ID: 83-3410902)

Our organization does not sell any merchandise or have any sponsorships.

We are doing this purely out of love for OUR PEOPLE.

We have taken 100's of hours of time away from our families in order to compile and analyze data.

This is only the beginning. The most time consuming work is ahead of us. If you are truly serious about devising REAL solutions, please help us out with a donation.

Once we have a checking account, we will establish a fundraiser with ActBlue.

We are currently waiting for Chase to process our bank account application.

There have been several miscommunications bottlenecks in the process.

Chase is NOT in a rush to help us dig ourselves from this hole.

We need to pool our funds in every way possible!

Please send a Cash App donation if you can.

Our official Cash App link is [https://cash.me/\\$blexitfund](https://cash.me/$blexitfund)

We greatly appreciate all financial support and words of encouragement.

Let's work together to provide our future generations a better Black reality than our parents gave us!
